

COACH TOURS | 2025

# WELCOME | CLAIR'S OF DERBYSHIRE

## Clair's of Derbyshire Coach Tours Brochure 2025

There are only a few days before we start getting Valerie, Valkyrie, Verity, Venya & Victoria all dressed up for the Christmas festivities, we'll see how many different Santa Clauses I can get a picture with this year. You can count on some fresh and quirky Christmassy outfits too, and maybe the odd pair of themed shoes but shhhh don't tell Graham.

I'm rambling again.... We're here to talk about 2025 and the next year of new adventures.

I have to say after having mentioned Durham here last year, the Radisson Blu went down a treat and we've even ended up adding an extra one in for 2024 and putting more Durham trips in for the coming year too whoever suggested that one can certainly be pleased with themselves, well done!

Now then, who said Southend on Sea? well we've obliged, you'll find it in May, so have a good look and I hope that you'll like it. Something totally different for us includes the Hauntingly Delicious tour for the ghouls amongst you, plus we've got Kynren on an overnight and Edinburgh Military Tattoo which has been mentioned one or two times this last year, so that's in there too.

I've been doing some maths and we have a birthday coming up in 2025, ten years of travel, with Clair's of Derbyshire. A few of you, I know have been with me from the very beginning, most of you have joined the gang a little later, but contributed just as many laughs along the way, and I'm grateful to each and everyone of you, so thank you for your continued support.

So what better way to celebrate 10 years than with a special tour, for which I can't wait. We'll be sure to post many pictures on our Facebook page for those of you unable to join us on this occasion. You all seem to be enjoying our videos, and pictures, I get so many comments about them it's unreal.

Look out for our new mobile office (coming soon), but don't worry, the times and places are all still the same as usual (printed on the back page of the brochure), it's just the vehicle that is changing, we'll make sure that it's visible though, even if it may not be bright yellow.

Well that's all from me, have a flick through, see what you fancy, fill your boots.

*Clair*
